BriteGuard® Express

Protect your showers quickly and easily before mounting with BriteGuard® Express. The coated glass surface is protected immediately and can be cleaned easily. In this way your customer will enjoy a high quality shower for a long time. Its use is as easy as can be. The special liquid is simply applied evenly onto the clean glass surface and is wiped off again with a suitable cloth. The only thing you have to be aware of is to moisten surfaces completely and evenly. The protective effect is activated immediately. The one-step product is appropriate for interior and exterior application. It can be used as efficiently on glass showers and partitions as on conservatory roofs.

- Quick protection for all smooth glass surfaces
- Simple application - clean the glass pane, apply BriteGuard® Express uniformly with a spray bottle and polish.
- The surface becomes hydrophobic immediately (water drips off)
- The glass remains protected & easy to clean for several months
- Can be reapplied at any time
- For professional requirements and for use at home
- 500 ml bottle with spray head

EasyMount 6020, 0.74 - 1.5 kN Top Mount

The new EasyMount 6020 profile is the intelligent onward development of Bohle's popular EasyMount Top profile. By increasing the distance between pre-drilled holes, and by allowing the use of anchor bolts without a countersunk head, installation of the new 6020 profile is both faster and much more cost effective.

For use in interior or exterior applications, it can withstand line loads of up to 1.5kN*. Glass mounting kits are available from 12mm up to 21.52mm. Slimline, elegant and low maintenance

- Fewer fixing holes reduces the cost of fittings!
- EasyMount Vario Glass Mounting Kits must be ordered separately - please contact Customer Services on 0800 616151 for prices
- Also available in 7016 Anthracite grey – please contact Customer Services on 0800 616151 for prices.
